Education:

Abraham Lincoln High School

Expected Graduation: May 2018

Extracurricular Activities:

Team Member: Dragonboat

Takes a lot of teamwork, communication, and responsibility to be in a club with a team of 100 paddlers.

Spring 2015- Summer 2016

Team Member: Badminton

As a team member of badminton, it was a very different experience. I had to coach people older than me which was difficult, but taught me leadership skills and to step out of my comfort zone.

Spring 2016- Present

Club Member: Change SF (now a secretary)

Change SF is a club in our school that organizes volunteering opportunities for the participants in this club. I chose to be a secretary this year so that I can strengthen my club with my ideas and help my presidents stay organized with the club members and their hours by adding each person's name and amount of hours on a spreadsheet.

2016- Present

Jump Start Leader

We (a group of volunteered students) introduce and welcome incoming freshman students with games and activities before letting them know what their schedules are going to be. We make them become comfortable coming into high school and let them know that our school is a fun and safe place.
